Title of the Manuscript:	Yield gap analysis of Colocassia in Arunachal Pradesh
Type of the Article	

Review Form 3

PART 1: Review Comments

Compulsory REVISION comments	Reviewer's comment	Author's Feedback (Please correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Please write a few sentences regarding the importance of this manuscript for the scientific community. Why do you like (or dislike) this manuscript? A minimum of 3-4 sentences may be required for this part.	The study presents yield gap analysis of Colocassia in Arunachal Pradesh. The study combines field experiments and farmer survey. The results are a good reference point for similar future studies.	
Is the title of the article suitable? (If not please suggest an alternative title)	Yes, it is.	
Is the abstract of the article comprehensive? Do you suggest the addition (or deletion) of some points in this section? Please write your suggestions here.	Yes, it is.	
Are subsections and structure of the manuscript appropriate?	Yes, they are.	
Please write a few sentences regarding the scientific correctness of this manuscript. Why do you think that this manuscript is scientifically robust and technically sound? A minimum of 3-4 sentences may be required for this part.	The study was planned and conducted according the best practices in this type of studies. The technology index is studied. The authors compared the existing farmer practices with improved practices to study the difference in yield and income.	
Are the references sufficient and recent? If you have suggestions of additional references, please mention them in the review form.	Yes, they are.	
Minor REVISION comments Is the language/English quality of the article suitable for scholarly communications?	Language is suitable for scholarly publications.	
Optional/General comments	The paper presents an interesting study with compelling results. No changes are needed.	

PART 2:

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Are there ethical issues in this manuscript?	<u>(If yes, Kindly please write down the ethical issues here in details)</u>
