

Review Form 3

Journal Name:	Journal of Advances in Biology & Biotechnology
Manuscript Number:	Ms_JABB_121985
Title of the Manuscript:	Ascertaining Impact of Potassium Schoenite (Mahalaabh) on the Yield and its Attributes in Wheat, Mustard and Onion
Type of the Article	Original Research Article

General guidelines for the Peer Review process:

This journal's peer review policy states that **NO** manuscript should be rejected only on the basis of '**lack of Novelty**', provided the manuscript is scientifically robust and technically sound. To know the complete guidelines for the Peer Review process, reviewers are requested to visit this link:

Review Form 3

PART 1: Review Comments

Compulsory REVISION comments	Reviewer's comment	Author's Feedback (Please correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<p>Please write a few sentences regarding the importance of this manuscript for the scientific community. Why do you like (or dislike) this manuscript? A minimum of 3-4 sentences may be required for this part.</p>	<p>This manuscript represents a significant contribution to the scientific community due to its innovative approach and comprehensive analysis of Ascertaining Impact of Potassium Schoenite (Mahalaabh) on the Yield and its Attributes in Wheat, Mustard and Onion. By addressing key gaps in current research and presenting novel insights, it has the potential to influence future studies and practical applications in the field. I particularly appreciate this manuscript for its clarity, rigor, and the way it integrates complex data into actionable conclusions. Its ability to bridge theoretical and practical aspects makes it a valuable resource for both researchers and practitioners.</p>	
<p>Is the title of the article suitable? (If not please suggest an alternative title)</p>	<p>"The Influence of Potassium Schoenite (Mahalaabh) on Yield and Crop Characteristics in Wheat, Mustard, and Onion"</p>	
<p>Is the abstract of the article comprehensive? Do you suggest the addition (or deletion) of some points in this section? Please write your suggestions here.</p>		
<p>Are subsections and structure of the manuscript appropriate?</p>	<p>Yes</p>	
<p>Please write a few sentences regarding the scientific correctness of this manuscript. Why do you think that this manuscript is scientifically robust and technically sound? A minimum of 3-4 sentences may be required for this part.</p>		
<p>Are the references sufficient and recent? If you have suggestions of additional references, please mention them in the review form.</p>	<p>Current Studies: Incorporate recent research articles that have investigated similar topics or used potassium schoenite (Mahalaabh) in different contexts or crops.</p>	
<p>Minor REVISION comments</p> <p>Is the language/English quality of the article suitable for scholarly communications?</p>	<p>Yes</p>	
<p>Optional/General comments</p>	<p>Suggestion for improvement have been incorporated into the manuscript.</p>	

Review Form 3

PART 2:

	Reviewer's comment	Author's comment <i>(if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i>
Are there ethical issues in this manuscript?	<i>(If yes, Kindly please write down the ethical issues here in details)</i>
