Review Form 3

PART 1: Review Comments

Compulsory REVISION comments	Reviewer's comment	Author's Feedback (Please correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Please write a few sentences regarding the importance of this manuscript for the scientific community. Why do you like (or dislike) this manuscript? A minimum of 3-4 sentences may be required for this part.	The article is not supported by any prior studies, references are not giving in the section of Introduction. When benefits are mentioned, they are not well separated, event benefit should start from new line, i.e. cost savings, Increased Crop Yields and so on. There is no any study of recent years, 2024, 2023, and 2022 mentioned in article. Article of year 2021 is giving in references but it is not mentioned in text of manuscript.	
Is the title of the article suitable? (If not please suggest an alternative title)	Title is fine	
Is the abstract of the article comprehensive? Do you suggest the addition (or deletion) of some points in this section? Please write your suggestions here.	It is comprehensive, but body of manuscript does not have significant detail that should support abstract.	
Are subsections and structure of the manuscript appropriate?	No. Few headings have colon. Few headings do not have colon.	
Please write a few sentences regarding the scientific correctness of this manuscript. Why do you think that this manuscript is scientifically robust and technically sound? A minimum of 3-4 sentences may be required for this part.		
Are the references sufficient and recent? If you have suggestions of additional references, please mention them in the review form.	No. Support your study with articles of years 2024, 2023, and 2022.	
Minor REVISION comments		
Is the language/English quality of the article suitable for scholarly communications?	Language is good.	
Optional/General comments	Under results and discussion, I did not find any text.	

PART 2:

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Are there ethical issues in this manuscript?	<i>(If yes, Kindly please write down the ethical issues here in details)</i>
