Title of the Manuscript:	<b>Agrarian Distress in Indian Agriculture: causes, socio-economic consequences and coping strategies</b>
Type of the Article	<b>Review Article</b>

## Review Form 3

### PART 1: Review Comments

<b>Compulsory</b> REVISION comments	<b>Reviewer's comment</b>	<b>Author's Feedback</b> (Please correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<b>Please write a few sentences regarding the importance of this manuscript for the scientific community. Why do you like (or dislike) this manuscript? A minimum of 3-4 sentences may be required for this part.</b>	The article is relevant in the backdrop of agrarian distress especially in the dry lands of Marathwada and Vidarba region of the State of Maharashtra. The remedies offered in the paper may be of benefit in helping the policy makers take necessary action.	
<b>Is the title of the article suitable? (If not please suggest an alternative title)</b>	Yes. The title has been aptly chosen.	
<b>Is the abstract of the article comprehensive? Do you suggest the addition (or deletion) of some points in this section? Please write your suggestions here.</b>	The abstract has been appropriately framed. However, details such as literatures surveyed, methodology adopted, etc. could have been added to make it comprehensive.	
<b>Are subsections and structure of the manuscript appropriate?</b>	Subsections are appropriate.	
<b>Please write a few sentences regarding the scientific correctness of this manuscript. Why do you think that this manuscript is scientifically robust and technically sound? A minimum of 3-4 sentences may be required for this part.</b>	Agrarian distress ia a problem characteristically persisting in many of Asian and African countries leading to a vicious trap of low productivity and low productivity and lower quality of life for the farming community, unless the poor framers are helped out of this trap, they would not be able to contribute meaningfully to region's prosperity. In this context the present article has effectively art8iculated a burning issue.	
<b>Are the references sufficient and recent? If you have suggestions of additional references, please mention them in the review form.</b>	Some more literature reviews especially of tropical countries Asia and African countinent shall make it comprehensive and would help the author/s to come out with a cleared road map to mitigate the agrarian distress.	
<b>Minor</b> REVISION comments		
<b>Is the language/English quality of the article suitable for scholarly communications?</b>	YES	
<b>Optional/General</b> comments
