Title of the Manuscript:	Synergistic strategies for the management of thrips, <i>Scirtothrips dorsalis</i> in pomegranate ecosystem
Type of the Article	

Review Form 3

PART 1: Review Comments

Compulsory REVISION comments	Reviewer's comment	Author's Feedback (Please correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<p>Please write a few sentences regarding the importance of this manuscript for the scientific community. Why do you like (or dislike) this manuscript? A minimum of 3-4 sentences may be required for this part.</p>	<p>I have carefully read the manuscript ID: (Ms_JEAI_122251) entitled "Synergistic strategies for the management of thrips, Scirtothrips dorsalis in pomegranate ecosystem". This work presents interesting results on Thrips management in pomegranate cultivation, and the authors have presented their results in well manner with appropriate tables. However, there are a few limitations.</p> <p>I have given my comments so that authors to revise the manuscript carefully considering my comments for possible publication in "Journal of Experimental Agriculture International".</p> <p>Abstract:</p> <ul style="list-style-type: none"> • Line No 2: Authors suggested to check and correct the "styd". • Authors suggested to replace (per cent) with % symbol. <p>Introduction:</p> <ul style="list-style-type: none"> • Authors must give some information regarding pomegranate cultivation and production worldwide. 	
<p>Is the title of the article suitable? (If not please suggest an alternative title)</p>	<ul style="list-style-type: none"> • Authors suggested to shift this sentence to introduction "Though pomegranate is gaining importance as one of the highly remunerative fruit crops in South India, but lacks the attention of researchers, particularly with respect to detailed work from entomological point of view". • Authors are requested to check and correct "table 1. I" • Authors are requested to check and correct "Crop residue mulchin" • Authors are requested to check and correct "randomn" 	

Review Form 3

<p>Is the abstract of the article comprehensive? Do you suggest the addition (or deletion) of some points in this section? Please write your suggestions here.</p>	<ul style="list-style-type: none"> • Authors are requested to include images. <p>Overall, it is an interesting study and should be considered for publication in Journal of Experimental Agriculture International, once the authors address the comments and submit the revised version.</p>	
<p>Are subsections and structure of the manuscript appropriate?</p>		
<p>Please write a few sentences regarding the scientific correctness of this manuscript. Why do you think that this manuscript is scientifically robust and technically sound? A minimum of 3-4 sentences may be required for this part.</p>		
<p>Are the references sufficient and recent? If you have suggestions of additional references, please mention them in the review form.</p>		
<p><u>Minor REVISION</u> comments</p> <p>Is the language/English quality of the article suitable for scholarly communications?</p>		
<p><u>Optional/General</u> comments</p>
