Compulsory REVISION comments	Reviewer's comment	Author's Feedback (Please correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Please write a few sentences regarding the importance of this manuscript for the scientific community. Why do you like (or dislike) this manuscript? A minimum of 3-4 sentences may be required for this part.	This topic is very important considering the high level of social media addiction in this Era. So I think, this research is very important and is scientifically important to know to handle this menace.	
Is the title of the article suitable? (If not please suggest an alternative title)	This topic is suitable for research work.	
Is the abstract of the article comprehensive? Do you suggest the addition (or deletion) of some points in this section? Please write your suggestions here.	The abstract is ok. Precise	
Are subsections and structure of the manuscript appropriate?	Yes. The structure is ok.	
Please write a few sentences regarding the scientific correctness of this manuscript. Why do you think that this manuscript is scientifically robust and technically sound? A minimum of 3-4 sentences may be required for this part.	Because it looks at different construct. Looked at social status. Mental health and family. Again, is solution geared and gives room for further work It looked at both gender . So no gender bias.	
Are the references sufficient and recent? If you have suggestions of additional references, please mention them in the review form.	The references is not sufficient enough. So I suggest more reference should be included in the work	
Minor REVISION comments		
Is the language/English quality of the article suitable for scholarly communications?	The language is suitable.	
Optional/General comments	Good. And I also suggest that that the researcher should look for newer scale for measuring mental health.
