<b>Are the references sufficient and recent? If you have suggestions of additional references, please mention them in the review form.</b> =		

**Review Form 3**

<p>Minor REVISION comments</p> <p><b>Is the language/English quality of the article suitable for scholarly communications?</b></p>		
<p><b>Optional/General</b> comments</p>	<p>DEAR EDITOR It is a good topic to pay attention to Anesthesia Management In An Eclampsia Patient: , Ms_IBRR_121917</p> <p>It does not have a proper title (it is not comprehensive, hinders, expresses and expresses the purpose)</p> <p>The report of a patient saved from eclampsia is a different action in terms of anesthesia management, routine anesthesia care for all patients with eclampsia has not been performed.</p> <p>Abstract - APGAR score 6/9. The operation The word has an incorrect spelling score</p> <p>Keywords: Be reviewed based on the mesh</p> <p>1. INTRODUCTION: In the introduction, useful information related to the topic of anesthesia management was not stated and only pre-eclampsia and eclampsia were written. The reason for the case report is not convincing, it does not meet the criteria for being reported The importance of the study has not been emphasized enough.</p> <p>2. PRESENTATION OF CASE Ethical considerations are written in the statement of the case (obtaining informed consent from the patient herself or from her relatives in the case of the patient's death). Other possible differential diagnoses were not reviewed An intervention different from routine care has been done, it is not well mentioned and its results are not mentioned</p> <p>3. DISCUSSION In this part, she described only pre-eclampsia and eclampsia more widely than in the introduction, and did not say anything about anesthesia management. Conclusion: In the conclusion, the points that help to diagnose and manage patients or similar cases are not included.</p>	

**PART 2:**

	<p><b>Reviewer's comment</b></p>	<p><b>Author's comment</b> (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</p>
<p><b>Are there ethical issues in this manuscript?</b></p>	<p><i>(If yes, Kindly please write down the ethical issues here in details)</i></p>
