Please write a few sentences regarding the importance of this manuscript for the scientific community. Why do you like (or dislike) this manuscript? A minimum of 3-4 sentences may be required for this part.	The type of article is not mentioned. What I get is , the manuscript is summary of what are the approaches for gene therapy in pediatric age group. The article has well described different gene therapies used in various types of genetic disorders. This is informative and make sense to the scientific committee but the author has not done his research or any kind of systemic or metaanalysis. Its just a brief assay kind of thing . If the journal publishes such assay type information, its ok.
