**Review Form 3**

**PART 1: Review Comments**

<b><u>Compulsory</u></b> REVISION comments	Reviewer's comment	<b>Author's Feedback</b> <i>(Please correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i>
Please write a few sentences regarding the importance of this manuscript for the scientific community. Why do you like (or dislike) this manuscript? A minimum of 3-4 sentences may be required for this part.	A good information is found regarding study of sugarcane in Kenya and some sugarcane growing countries of the world. As far as the value chain of sugarcane in Kenya is concerned, I suggest the author to focus on Value chain map of sugarcane in Kenya showing all key stakeholders and their functions, inter-relationship between them, factors hindering the whole sugarcane industry in input supply required for sugarcane production, sugarcane production at farm level and marketing of sugarcane at national and international level.	
Is the title of the article suitable? (If not please suggest an alternative title)	Sugarcane production in Kenya may be much more appropriate.	
Is the abstract of the article comprehensive? Do you suggest the addition (or deletion) of some points in this section? Please write your suggestions here.	To keep the title as Value chain of Sugarcane in Kenya, the following points are suggested to include: <ol style="list-style-type: none"> <li>1. Value chain Map of Sugarcane in Kenya.</li> <li>2. Major Key players, their relationship with each other, their functions in the value chain. And factors that are hindering the growth and development of the whole sugarcane industry.</li> <li>3. Major opportunities and constraints in Sugarcane subsector.</li> </ol>	
Are subsections and structure of the manuscript appropriate?	For sugarcane production as such its OK but if it has to continue as value chain of sugarcane, subsections may be added.	
Please write a few sentences regarding the scientific correctness of this manuscript. Why do you think that this manuscript is scientifically robust and technically sound? A minimum of 3-4 sentences may be required for this part.	If it is sugarcane production in Kenya, information given in this articles is Okay.	
Are the references sufficient and recent? If you have suggestions of additional references, please mention them in the review form.	If the author wants to continue as Value chain of sugarcane in Kenya, the author is suggested to review and refer some additional articles on Value chain studies.	
<b><u>Minor</u></b> REVISION comments  Is the language/English quality of the article suitable for scholarly communications?	The language or English quality may be suitable for scholarly communication.	
<b><u>Optional/General</u></b> comments
