Review Form 3

PART 1: Review Comments

Compulsory REVISION comments	Reviewer's comment	Author's Feedback (Please correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Please write a few sentences regarding the importance of this manuscript for the scientific community. Why do you like (or dislike) this manuscript? A minimum of 3-4 sentences may be required for this part.	This is an important topic to be done on professional people like doctors, nurses and other technicians who attends night duties on call which leads poor sleep and impacts on daily life. I feel this is relative and accurate topic for study.	
Is the title of the article suitable? (If not please suggest an alternative title)	yes	
Is the abstract of the article comprehensive? Do you suggest the addition (or deletion) of some points in this section? Please write your suggestions here.	Yeah, I would like to suggest the author to mention few more previous studies conducted on the same topic, and the preventive or alternative methods suggested etc... I also noticed few references for the selected topic since it is very much important topic in health care, there might be plenty of references available in scholar sites. My suggestion to go through all for better generalization of the results.	
Are subsections and structure of the manuscript appropriate?	Yes	
Please write a few sentences regarding the scientific correctness of this manuscript. Why do you think that this manuscript is scientifically robust and technically sound? A minimum of 3-4 sentences may be required for this part.	The selected topic is scientific and appropriate. Relevant studies were mentioned to show accuracy. The study results and discussions were briefed well.	
Are the references sufficient and recent? If you have suggestions of additional references, please mention them in the review form.	No, Need more references	
Minor REVISION comments		
Is the language/English quality of the article suitable for scholarly communications?	Yes	
Optional/General comments	Needs to include few more studies and their conclusions and suggestions.
