

**Editor's Comment:**

Accepted After minor revision

**Manuscript Title:** Pre-service mathematics teachers' performance on reflection on mathematics teaching and learning using GeoGebra programme

My final decision is positive. I think that the last version of the paper can be published.

Some corrections are needed. These are marked in the **Attachment**.

Also,

- The organisation of the manuscript to be checked.
  - ✓ In the text, do not use the second person "you".
  - ✓ to have the text English proofread (mainly the article).

References should be checked.

- ✓ All works cited in the text must be listed in the References.
- ✓ to elaborate the bibliographic citation and references format according to the needs of AJESS.
