| Type of the Article | Original Research Article |

Review Form 3

PART 1: Review Comments

| Compulsory REVISION comments | Reviewer's comment | Author's Feedback (Please correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here) |
|---|---|---|
| Please write a few sentences regarding the importance of this manuscript for the scientific community. Why do you like (or dislike) this manuscript? A minimum of 3-4 sentences may be required for this part. | Since the environment has always influenced the quality of human life and the above article has also dealt with this issue, it is of great importance. Investigating the impact of the modern world on the ecosystem and the environment and how these two interact with each other can help a lot to create a suitable platform for human life. | |
| Is the title of the article suitable? (If not please suggest an alternative title) | YES | |
| Is the abstract of the article comprehensive? Do you suggest the addition (or deletion) of some points in this section? Please write your suggestions here. | YES | |
| Are subsections and structure of the manuscript appropriate? | YES | |
| Please write a few sentences regarding the scientific correctness of this manuscript. Why do you think that this manuscript is scientifically robust and technically sound? A minimum of 3-4 sentences may be required for this part. | The content included in the text is largely in line with science, but the main problem of this article is that many paragraphs lack references and you cannot refer to a reference for a wider study, but if the reader's information is to the extent that he can understand the topic slowly, he realizes that the written texts are basically scientific, But this article is not scientifically and technically complete. | |
| Are the references sufficient and recent? If you have suggestions of additional references, please mention them in the review form. | YES | |
| Minor REVISION comments | | |
| Is the language/English quality of the article suitable for scholarly communications? | YES | |
| Optional/General comments | | |

PART 2:

| | Reviewer's comment | Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here) |
|--|--|--|
| Are there ethical issues in this manuscript? | <i>(If yes, Kindly please write down the ethical issues here in details)</i> | |
