

Review Form 3

Journal Name:	South Asian Journal of Research in Microbiology
Manuscript Number:	Ms_SAJRM_122070
Title of the Manuscript:	MICROBIAL AND PHYSICOCHEMICAL ASSESSMENT OF ROAD-SIDE ROASTED PLANTAIN SOLD IN ISOKO NORTH L.G.A.
Type of the Article	Research Article

Review Form 3

PART 1: Review Comments

Compulsory REVISION comments	Reviewer's comment	Author's Feedback (Please correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Please write a few sentences regarding the importance of this manuscript for the scientific community. Why do you like (or dislike) this manuscript? A minimum of 3-4 sentences may be required for this part.	The study's focus on both microbial contamination and physicochemical parameters offers a comprehensive view of the safety and quality of street food, underscoring the need for better food handling and hygiene practices.	
Is the title of the article suitable? (If not please suggest an alternative title)	Should be Revised as- "Microbial and Physicochemical Assessment of Roadside Roasted Plantain Sold in Isoko North Local Government Area"	
Is the abstract of the article comprehensive? Do you suggest the addition (or deletion) of some points in this section? Please write your suggestions here.	More significantly it can be focused on Objective, methodology and results section.	
Are subsections and structure of the manuscript appropriate?	Yes, Everything is correct., Need to add citations in manuscript.	
Please write a few sentences regarding the scientific correctness of this manuscript. Why do you think that this manuscript is scientifically robust and technically sound? A minimum of 3-4 sentences may be required for this part.	The detailed presentation of microbial counts and species occurrences, along with statistical analysis, supports the validity of the findings and their relevance to public health. The use of standard microbiological procedures for isolating and identifying bacteria and fungi ensures reliable and reproducible results.	
Are the references sufficient and recent? If you have suggestions of additional references, please mention them in the review form.	References neither sufficient nor recent. Need to incorporate latest references too.	
Minor REVISION comments		
Is the language/English quality of the article suitable for scholarly communications?	Yes, Adequate but need few revisions.	
Optional/General comments	Accept after minor revisions.	

PART 2:

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Are there ethical issues in this manuscript?	<i>(If yes, Kindly please write down the ethical issues here in details)</i>
