

Review Form 3

Journal Name:	Asian Journal of Soil Science and Plant Nutrition
Manuscript Number:	Ms_AJSSPN_122261
Title of the Manuscript:	Impact of Tillage Practices on Soil Properties and Crop Productivity of Mung Bean: A Review
Type of the Article	

Review Form 3

PART 1: Review Comments

Compulsory REVISION comments	Reviewer's comment	Author's Feedback (Please correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Please write a few sentences regarding the importance of this manuscript for the scientific community. Why do you like (or dislike) this manuscript? A minimum of 3-4 sentences may be required for this part.	<p>Yes, it is important. It is very much crucial to understand the Impact of Tillage Practices on Soil Properties and Crop Productivity. But this paper needs to incorporate the changes/corrections/suggestions as per the comments indicated in the comment boxes of the file attached.</p> <p>The review writing format should be changed. This manuscript looks like a clone (copy) of thesis. It should be written well with proper format (should be followed journals guidelines).</p> <p>Conclusion part is missing. A proper valid conclusion should be added.</p>	
Is the title of the article suitable? (If not please suggest an alternative title)	Yes	
Is the abstract of the article comprehensive? Do you suggest the addition (or deletion) of some points in this section? Please write your suggestions here.	No, the abstract should be strengthened.	
Are subsections and structure of the manuscript appropriate?	No, the format of writing is not up to the mark. Proper and valid examples as well as data from various research areas should be mentioned in every heading, sub-heading, etc. Intext citations also very less. It is recommended to add more citations.	
Please write a few sentences regarding the scientific correctness of this manuscript. Why do you think that this manuscript is scientifically robust and technically sound? A minimum of 3-4 sentences may be required for this part.	This manuscript is scientifically correct. But it should be written well with some more information, current issues, intext citations The writing style and format should be followed strictly as per journal's guidelines.	
Are the references sufficient and recent? If you have suggestions of additional references, please mention them in the review form.	Reference style should be thoroughly checked. Recent (2024, 2023, 2022, 2021, etc.) and relevant references in every heading and sub-heading are recommended.	
Minor REVISION comments		
Is the language/English quality of the article suitable for scholarly communications?	Yes, but it can be improved	
Optional/General comments	Please follow the journal guidelines
