

Review Form 3

Journal Name:	Asian Research Journal of Gynaecology and Obstetrics
Manuscript Number:	Ms_ARJGO_122371
Title of the Manuscript:	Transmission of anti-SARS-CoV-2 antibodies to newborns by vaccination of pregnant women.
Type of the Article	Original Research Article

Review Form 3

PART 1: Review Comments

Compulsory REVISION comments	Reviewer's comment	Author's Feedback (Please correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Please write a few sentences regarding the importance of this manuscript for the scientific community. Why do you like (or dislike) this manuscript? A minimum of 3-4 sentences may be required for this part.	This article is original because it discusses COVID-19 vaccination in pregnant women and checking IgG S spike antibody levels in mothers	
Is the title of the article suitable? (If not please suggest an alternative title)	the title of the article is suitable	
Is the abstract of the article comprehensive? Do you suggest the addition (or deletion) of some points in this section? Please write your suggestions here.	Need proof reading Replace the term aims with background Place and duration of study are part of study design and method (do not separate it) Pay attention to the use of periods and commas in the data analysis results	
Are subsections and structure of the manuscript appropriate?	Yes	
Please write a few sentences regarding the scientific correctness of this manuscript. Why do you think that this manuscript is scientifically robust and technically sound? A minimum of 3-4 sentences may be required for this part.	Research regarding COVID antibody levels in pregnant women is still rare, so this article is interesting to publish. However, improvements are needed in writing content and research results. Needs improvement in writing variable measurement results ; mean±SD or median (min-max)	
Are the references sufficient and recent? If you have suggestions of additional references, please mention them in the review form.	Need to improve reference writing according to Vancouver style	
Minor REVISION comments Is the language/English quality of the article suitable for scholarly communications?	Need proof reading	
Optional/General comments	need proofreading	

PART 2:

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Are there ethical issues in this manuscript?	<i>(If yes, Kindly please write down the ethical issues here in details)</i>
