Journal Name:	European Journal of Nutrition & Food Safety
Manuscript Number:	Ms_EJNFS_122171
Title of the Manuscript:	Smart packaging for sustainable food waste management: A Review
Type of the Article	Original Research Article

Review Form 3

PART 1: Review Comments

Compulsory REVISION comments	Reviewer's comment	Author's Feedback <i>(Please correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i>
Please write a few sentences regarding the importance of this manuscript for the scientific community. Why do you like (or dislike) this manuscript? A minimum of 3-4 sentences may be required for this part.	This review mainly focuses on the use of smart and biodegradable packaging material for sustainable food waste management. Packaging is essential for maintaining the quality, safety, and shelf life of fresh products, as well as for safeguarding them and reducing food waste. Therefore, it has been an important area of research, and there have also been various developments in food packaging reported, particularly with respect to their environmental friendliness.	
Is the title of the article suitable? (If not please suggest an alternative title)	The manuscript has an excellent title.	
Is the abstract of the article comprehensive? Do you suggest the addition (or deletion) of some points in this section? Please write your suggestions here.	The abstract of the article is clear, appropriate, and sums up its contents.	
Are subsections and structure of the manuscript appropriate?	The subsections and structure of the manuscript are well written and appropriate	
Please write a few sentences regarding the scientific correctness of this manuscript. Why do you think that this manuscript is scientifically robust and technically sound? A minimum of 3-4 sentences may be required for this part.	This work is interesting, well prepared and significant. I can recommend it to be published in European Journal of Nutrition & Food Safety with minor changes. I would suggest to incorporation some of the recent references on this topic.	
Are the references sufficient and recent? If you have suggestions of additional references, please mention them in the review form.	There has been extensive research on this topic and I have found some of the recent papers on it in literature. I would suggest, if you can add some of the most recent works on it and cite these appropriately in the manuscript.	
Minor REVISION comments Is the language/English quality of the article suitable for scholarly communications?	The language quality of the paper is good	
Optional/General comments		

PART 2:

	Reviewer's comment	Author's comment <i>(if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i>
Are there ethical issues in this manuscript?	<i>(If yes, Kindly please write down the ethical issues here in details)</i>
