

Editor's Comment:

The article is accepted after considering the corrections highlighted in pink in the attached form of the article.

Please, consider revising the article for the following notices highlighted in pink in the attached form of it:

1- In abstract: some fungi names are not in italic.

2- In 2.5.3 Preparation of the Inoculum, state the source (from where) of the following fungal cultures *Candida albicans*, *Aspergillus fumigatus*, and *Trichophyton mentagrophytes*.

3- In 2.4.5 Counting the Germs, correct the section number into 2.5.5 I think.

4- In 3.2, italicize 'in vitro'.

5- In last part of discussion, correct 'extait' into extract.
