

Review Form 3

Journal Name:	International Journal of Plant & Soil Science
Manuscript Number:	Ms_IJPSS_123724
Title of the Manuscript:	Effect of Foliar Application of Nano-fertilizers on Growth and Flowering of Okra (<i>Abelmoschus esculentus</i>)
Type of the Article	Original Research Article

PART 1: Review Comments

Compulsory REVISION comments	Reviewer's comment	Author's Feedback <i>(Please correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i>
Please write a few sentences regarding the importance of this manuscript for the scientific community. Why do you like (or dislike) this manuscript? A minimum of 3-4 sentences may be required for this part.	Nanofertilizers are getting popularity day by day as it increases fertilizer use efficiency. As it decreases the loss into the environment, pollution gradually decreasing. Okra is an important field crop and nanofertilizers help to overcome the production constraints of the crop.	
Is the title of the article suitable? (If not please suggest an alternative title)	Yes	
Is the abstract of the article comprehensive? Do you suggest the addition (or deletion) of some points in this section? Please write your suggestions here.	Yes the abstract is comprehensive but it is needed to divide into sub sections.	
Are subsections and structure of the manuscript appropriate?	Yes	
Please write a few sentences regarding the scientific correctness of this manuscript. Why do you think that this manuscript is scientifically robust and technically sound? A minimum of 3-4 sentences may be required for this part.	In abstract it is written that 15 treatment combination are there but in materials and method part only treatments are written. So it is quite important to write all the 15 treatment combinations in materials methods section as the experimental design is factorial RBD.	
Are the references sufficient and recent? If you have suggestions of additional references, please mention them in the review form.	Number of references are sufficient for this manuscript, but reference format are not correct. So it is required to correct the format of reference.	
Minor REVISION comments		
Is the language/English quality of the article suitable for scholarly communications?	Yes	
Optional/General comments		

Review Form 3

PART 2:

	Reviewer's comment	Author's comment <i>(if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i>
Are there ethical issues in this manuscript?	<i>(If yes, Kindly please write down the ethical issues here in details)</i>
