

Editor's Comment:

This _ JSRR/118604 Article has been modified according to the reviewer comments. But I suggest "reject" this article.

1. The abstract needs to be more concise.
2. Please add figures or/and tables to the text.
3. Please provide a complete "conclusion" for this article.
4. Please re-examine the structure of this article and fill in the missing parts.
