

Review Form 3

Journal Name:	Journal of Scientific Research and Reports
Manuscript Number:	Ms_JSRR_123678
Title of the Manuscript:	Evaluation of Antioxidant Activity and α-Amylase Inhibitory Potential of Melilotus indicus Ethanolic Extract: An In Vitro and In Silico Study
Type of the Article	

Review Form 3

PART 1: Review Comments

Compulsory REVISION comments	Reviewer's comment	Author's Feedback (Please correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Please write a few sentences regarding the importance of this manuscript for the scientific community. Why do you like (or dislike) this manuscript? A minimum of 3-4 sentences may be required for this part.		
Is the title of the article suitable? (If not please suggest an alternative title)		
Is the abstract of the article comprehensive? Do you suggest the addition (or deletion) of some points in this section? Please write your suggestions here.		
Are subsections and structure of the manuscript appropriate?		
Please write a few sentences regarding the scientific correctness of this manuscript. Why do you think that this manuscript is scientifically robust and technically sound? A minimum of 3-4 sentences may be required for this part.		
Are the references sufficient and recent? If you have suggestions of additional references, please mention them in the review form.		
Minor REVISION comments Is the language/English quality of the article suitable for scholarly communications?		
Optional/General comments	<p>Review Comments:</p> <ol style="list-style-type: none"> 1. In abstract, α-Amylase is in key words only. But it is not mentioned no where in abstract. 2. Melilotus indicus which is not in italics in many places of the manuscript. 3. No current References are referred. 4. Purification and identification of the components (chlorogenic acid, ferulic acid, quercetin, kaempferol and coumarin) was not done from the extract. Author selected the components from literature only. Finally, this manuscript should be qualified for In silico study only. 5. Based on that the title should be modified as below "In Silico study with Antioxidant activity and α-Amylase inhibitory potential in ethanolic extract of Melilotus indicus. After fulfill the above mentioned corrections in that manuscript then we will publish the manuscript in our journal. I thank for given this chance to evaluate the manuscript.
