PART 1: Review Comments

Compulsory REVISION comments	Reviewer's comment	Author's Feedback <i>(Please correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i>
Please write a few sentences regarding the importance of this manuscript for the scientific community. Why do you like (or dislike) this manuscript? A minimum of 3-4 sentences may be required for this part.	The manuscript addresses a crucial topic in financial management by examining corporate governance and firm profitability in Ghana's banking sector. It contributes to understanding governance's role in financial stability but needs a stronger discussion on its unique contributions to existing research.	
Is the title of the article suitable? (If not please suggest an alternative title)	The title is suitable but could be more specific: "Corporate Governance and Firm Profitability: A Study of Ghana's Banking Sector."	
Is the abstract of the article comprehensive? Do you suggest the addition (or deletion) of some points in this section? Please write your suggestions here.	The abstract is informative but should include key findings and their implications to enhance clarity.	
Are subsections and structure of the manuscript appropriate?	The structure is appropriate, but minor formatting and conciseness improvements are needed, especially in the research methodology section.	
Please write a few sentences regarding the scientific correctness of this manuscript. Why do you think that this manuscript is scientifically robust and technically sound? A minimum of 3-4 sentences may be required for this part.	The study is methodologically sound, but the discussion should better connect findings with existing literature. Be cautious not to overstate correlations as causal relationships.	
Are the references sufficient and recent? If you have suggestions of additional references, please mention them in the review form.	References are adequate but could be updated with more recent studies, especially post-2020.	
Minor REVISION comments Is the language/English quality of the article suitable for scholarly communications?	The language is generally good but needs a professional edit to correct minor grammatical errors and improve readability.	
Optional/General comments	The manuscript is solid but would benefit from more detailed policy recommendations based on the findings.
