

Review Form 3

Journal Name:	International Journal of Environment and Climate Change
Manuscript Number:	Ms_IJECC_122354
Title of the Manuscript:	Preparation of Geo-Spatial Soil fertility map of KVK farm, Gariyaband, Chhattisgarh
Type of the Article	Original Research Article

Review Form 3

PART 1: Review Comments

Compulsory REVISION comments	Reviewer's comment	Author's Feedback (Please correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Please write a few sentences regarding the importance of this manuscript for the scientific community. Why do you like (or dislike) this manuscript? A minimum of 3-4 sentences may be required for this part.	Geo-Spatial soil fertility map is use-full for farmers, researcher, extension workers and planners to know their soil fertility status of the study area. It helps in fertilizer recommendation and nutrients management. It also helps in crop suitability analysis. So, this type of study needed and beneficial to scientific community.	
Is the title of the article suitable? (If not please suggest an alternative title)	The title of the article is ok.	
Is the abstract of the article comprehensive? Do you suggest the addition (or deletion) of some points in this section? Please write your suggestions here.	Keywords missing, Some correction needed in grammars and space addition, full-stop deletion. Add which geo-spatial algorithm used for point data in Arc-GIS. Otherwise it is comprehensive article.	
Are subsections and structure of the manuscript appropriate?	The subsections and structure of the manuscript is OK.	
Please write a few sentences regarding the scientific correctness of this manuscript. Why do you think that this manuscript is scientifically robust and technically sound? A minimum of 3-4 sentences may be required for this part.	Add some sentences in the methodology about geospatial algorithm used. Why the used algorithm is better than others? Add the point map of soil sample collected.	
Are the references sufficient and recent? If you have suggestions of additional references, please mention them in the review form.	I found some reference is not cited in the article, please revisit your reference citation.	
Minor REVISION comments		
Is the language/English quality of the article suitable for scholarly communications?	Please revisit your article for English grammar.	
Optional/General comments		
	Give the three best recommendation for farmers of your study area based on your conclusions and discussions.	

PART 2:

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Are there ethical issues in this manuscript?	<i>(If yes, Kindly please write down the ethical issues here in details)</i>
