

Review Form 3

Journal Name:	International Journal of Environment and Climate Change
Manuscript Number:	Ms_IJECC_123366
Title of the Manuscript:	Seasonal Incidence of Insect Pests on Blackgram [Vigna mungo (L.) Hepper] in Malwa Region of Madhya Pradesh
Type of the Article	

Review Form 3

PART 1: Review Comments

Compulsory REVISION comments	Reviewer's comment	Author's Feedback <i>(Please correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i>
Please write a few sentences regarding the importance of this manuscript for the scientific community. Why do you like (or dislike) this manuscript? A minimum of 3-4 sentences may be required for this part.	Black gram is widely cultivated in different parts of India. Many factors constrain the production of black gram. Among various factors, biotic factors such as insect pests cause 30% yield loss. So, it is important to forecast the population of various insect pests and their correlation with weather parameters which help in the effective management of various pests	
Is the title of the article suitable? (If not please suggest an alternative title)	Yes	
Is the abstract of the article comprehensive? Do you suggest the addition (or deletion) of some points in this section? Please write your suggestions here.	Yes. I have mentioned some changes in the manuscript file that need to be incorporated	
Are subsections and structure of the manuscript appropriate?	Yes	
Please write a few sentences regarding the scientific correctness of this manuscript. Why do you think that this manuscript is scientifically robust and technically sound? A minimum of 3-4 sentences may be required for this part.	Methodology, results, and analysis are ok. So, the manuscript is scientifically robust. Discussion is very weak. Need to add more references and discuss more	
Are the references sufficient and recent? If you have suggestions of additional references, please mention them in the review form.	Very less and need to add some recent references in discussion	
Minor REVISION comments	Medium (I have suggested that will improve the quality of the manuscript)	
Is the language/English quality of the article suitable for scholarly communications?		
Optional/General comments	Check all comments carefully and incorporate them into the manuscript. The data is only for one year. The manuscript can be accepted as a short communication.	

PART 2:

	Reviewer's comment	Author's comment <i>(if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i>
Are there ethical issues in this manuscript?	<i>(If yes, Kindly please write down the ethical issues here in details)</i>
