

Review Form 3

Journal Name:	International Journal of Plant & Soil Science
Manuscript Number:	Ms_IJPSS_123671
Title of the Manuscript:	Advanced Vermicomposting Modality: Microbial Acceleration to Improve Micronutrient Profile of Agricultural Residue derived compost
Type of the Article	Original Research Article

PART 1: Review Comments

Compulsory REVISION comments	Reviewer's comment	Author's Feedback (Please corrects the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Please write a few sentences regarding the importance of this manuscript for the scientific community. Why do you like (or dislike) this manuscript? A minimum of 3-4 sentences may be required for this part.	This manuscript contains valuable work addressing the importance of agricultural residue and how to enhance the micro-nutrient profile of compost derived from agricultural wastes by accelerating microbes.	
Is the title of the article suitable? (If not please suggest an alternative title)	No suggestion for this	
Is the abstract of the article comprehensive? Do you suggest the addition (or deletion) of some points in this section? Please write your suggestions here.	Just make the changes mentioned in the article	
Are subsections and structure of the manuscript appropriate?	yes	
Please write a few sentences regarding the scientific correctness of this manuscript. Why do you think that this manuscript is scientifically robust and technically sound? A minimum of 3-4 sentences may be required for this part.	The manuscript is scientifically robust it is based on how we can enhance the micronutrient profile of compost obtained from agricultural residue, in this experimental process they accelerated the microbes and asses the micronutrient and found nutrient enhancements. Such type of methodology is eco-friendly and can easily adapt at ground level, and leads to agriculture sustainability.	
Are the references sufficient and recent? If you have suggestions of additional references, please mention them in the review form.	sufficient	
Minor REVISION comments		
Is the language/English quality of the article suitable for scholarly communications?	Mentioned in the article	
Optional/General comments	Corrected and highlighted in the manuscript.	

Review Form 3

PART 2:

	Reviewer's comment	Author's comment <i>(if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i>
Are there ethical issues in this manuscript?	<i>(If yes, Kindly please write down the ethical issues here in details)</i>
