

Review Form 3

Journal Name:	International Journal of Plant & Soil Science
Manuscript Number:	Ms_IJPSS_123671
Title of the Manuscript:	Advanced Vermicomposting Modality: Microbial Acceleration to Improve Micronutrient Profile of Agricultural Residue derived compost
Type of the Article	Original Research Article

PART 1: Review Comments

Compulsory REVISION comments	Reviewer's comment	Author's Feedback <i>(Please correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i>
Please write a few sentences regarding the importance of this manuscript for the scientific community. Why do you like (or dislike) this manuscript? A minimum of 3-4 sentences may be required for this part.	Vermicomposts represents the best condition for earthworm activities and microbial proliferation, hence enhanced decomposition and release of nutrients. Moreover, utilization of microbial decomposer.	
Is the title of the article suitable? (If not please suggest an alternative title)	YES	
Is the abstract of the article comprehensive? Do you suggest the addition (or deletion) of some points in this section? Please write your suggestions here.	YES, DELETION WARDS PROFILE	
Are subsections and structure of the manuscript appropriate?	YES	
Please write a few sentences regarding the scientific correctness of this manuscript. Why do you think that this manuscript is scientifically robust and technically sound? A minimum of 3-4 sentences may be required for this part.	These findings provide valuable insights into the microbial augmentation of vermicomposting practices with respect to potent organic manure production with micronutrient fortification within reduced maturity period while simultaneously managing exploitation of agricultural waste such as paddy stubble and banana pseudo stem with an ecologically responsible approach.	
Are the references sufficient and recent? If you have suggestions of additional references, please mention them in the review form.	PLEASE ADD THE RECENT REFERENCES.	
Minor REVISION comments	English quality of the article suitable	
Is the language/English quality of the article suitable for scholarly communications?		
Optional/General comments	THIS ARTICLES IS IMP. IN AGRICULTURE.	

Review Form 3

PART 2:

	Reviewer's comment	Author's comment <i>(if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i>
Are there ethical issues in this manuscript?	<i>(If yes, Kindly please write down the ethical issues here in details)</i>
