

Review Form 1.7

Journal Name:	Asian Journal of Agricultural Extension, Economics & Sociology
Manuscript Number:	Ms_AJAEES_116179
Title of the Manuscript:	Effects of compost supply methods on crop yields in the Zinder region (Niger)
Type of the Article	Original Research Article

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<p>Compulsory REVISION comments</p> <p>1. Is the manuscript important for scientific community? (Please write few sentences on this manuscript)</p> <p>2. Is the title of the article suitable? (If not please suggest an alternative title)</p> <p>3. Is the abstract of the article comprehensive?</p> <p>4. Are subsections and structure of the manuscript appropriate?</p> <p>5. Do you think the manuscript is scientifically correct?</p> <p>6. Are the references sufficient and recent? If you have suggestion of additional references, please mention in the review form.</p> <p>(Apart from above mentioned 6 points, reviewers are free to provide additional suggestions/comments)</p>	<p>While the study acknowledges the importance of its subject matter, it falls short of providing comprehensive information. Therefore, it is imperative to enhance the article by incorporating additional details, and parallelly introducing supplementary tables and figures to its strength. This revised version conveys the same message but in a clearer and more structured manner.</p> <p>Need improvement</p> <p>Add new keywords, all are already mentioned in title also.</p> <p>Need improvement</p> <p>Yes, but needed some more tables</p> <p>All references must be written uniformly and the Author must be add some more references to support their research.</p>	
<p>Minor REVISION comments</p> <p>1. Is language/English quality of the article suitable for scholarly communications?</p>	yes	
<p>Optional/General comments</p>	<ul style="list-style-type: none"> Rewrite keywords in the abstract, because they are already present in the title. You could use different terms which would help a lot in the search for the article; The introduction, result, and conclusion part is very short and needs to improve References are very few in this article. The author must add some more references to support their research. The article must be published after verifying the suggestions presented.
