

Review Form 3

Journal Name:	International Journal of Environment and Climate Change
Manuscript Number:	Ms_IJECC_122746
Title of the Manuscript:	Analysing the Growth and Instability of Cereal Crop Production Across Kharif and Rabi Seasons in Western Odisha
Type of the Article	

PART 1: Review Comments

Compulsory REVISION comments	Reviewer's comment	Author's Feedback (Please correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Please write a few sentences regarding the importance of this manuscript for the scientific community. Why do you like (or dislike) this manuscript? A minimum of 3-4 sentences may be required for this part.	Yes, this paper deals with an important topic worthy of study and analysis.	
Is the title of the article suitable? (If not please suggest an alternative title)	The title of the article is suitable	
Is the abstract of the article comprehensive? Do you suggest the addition (or deletion) of some points in this section? Please write your suggestions here.	The abstract is comprehensive, but it needs to clearly present the study's findings.	
Are subsections and structure of the manuscript appropriate?	The research paper lacks a theoretical background which is a necessary part of the academic research study. Others structure of paper are acceptable.	
Please write a few sentences regarding the scientific correctness of this manuscript. Why do you think that this manuscript is scientifically robust and technically sound? A minimum of 3-4 sentences may be required for this part.	All authors in the reference list at the end of the paper must be cited in the text.	
Are the references sufficient and recent? If you have suggestions of additional references, please mention them in the review form.	We note one recent reference (2023) and the other references are relatively old, dating back to before 2014, and the list of references not referred in the text	
Minor REVISION comments Is the language/English quality of the article suitable for scholarly communications?	should use the appropriate Common English terms for seasons such as spring and autumn instead of the kharif and rabi.	
Optional/General comments	Graphically displaying the same tables, such as 4, 5, and 6, will make them easier to understand.	

Review Form 3
