Title of the Manuscript:	Export Dynamics and Strategic Directions: Analyzing India's Livestock Sector
Type of the Article	Original Research Article

PART 1: Review Comments

Compulsory REVISION comments	Reviewer's comment	Author's Feedback (Please correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Please write a few sentences regarding the importance of this manuscript for the scientific community. Why do you like (or dislike) this manuscript? A minimum of 3-4 sentences may be required for this part.	Livestock and livestock products are of great importance due to their significant role in food security, employment, contribution to the national economy, and more. Considering that a substantial portion of India's workforce is engaged in animal husbandry, the importance of scientific studies in this field is noteworthy. Exporting is a crucial aspect for the development of livestock activities. Therefore, the presented article holds significant value.	
Is the title of the article suitable? (If not please suggest an alternative title)	The title is not appropriate for the findings of this article. A suggested title is: "Analysis of the Export Trends of Livestock and Livestock Products in India."	
Is the abstract of the article comprehensive? Do you suggest the addition (or deletion) of some points in this section? Please write your suggestions here.	The abstract merely summarizes the findings and lacks analysis.	
Are subsections and structure of the manuscript appropriate?	somewhat	
Please write a few sentences regarding the scientific correctness of this manuscript. Why do you think that this manuscript is scientifically robust and technically sound? A minimum of 3-4 sentences may be required for this part.	Although considerable effort has been made to compile the findings, it is not a scientific paper; it resembles more of an organizational report or a student project. Some of the findings and analyses presented are available on the websites of the relevant ministries and organizations. There are new statistics (2023) that have not been utilized. Ultimately, the analytical aspect is weak.	
Are the references sufficient and recent? If you have suggestions of additional references, please mention them in the review form.	The references are not up-to-date, and the number of references used is limited.	
Minor REVISION comments Is the language/English quality of the article suitable for scholarly communications?	It requires minor revisions.	
Optional/General comments
