

Review Form 3

Journal Name:	Journal of Scientific Research and Reports
Manuscript Number:	Ms_JSRR_122144
Title of the Manuscript:	Assessment of Early blight disease resistant Tomato F1 hybrid Arka Abhed in Karimnagar District of Telangana
Type of the Article	Original Research Article

Review Form 3

PART 1: Review Comments

Compulsory REVISION comments	Reviewer's comment	Author's Feedback (Please correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Please write a few sentences regarding the importance of this manuscript for the scientific community. Why do you like (or dislike) this manuscript? A minimum of 3-4 sentences may be required for this part.	The Early blight is an important fungal disease that negatively impact the yield of Tomato plant. Since tomato is a commonly consumed vegetable, attempts to combating the disease and improve its yield by this research study gains in significance in Indian context.	
Is the title of the article suitable? (If not please suggest an alternative title)	Yes	
Is the abstract of the article comprehensive? Do you suggest the addition (or deletion) of some points in this section? Please write your suggestions here.	Yes	
Are subsections and structure of the manuscript appropriate?	Yes	
Please write a few sentences regarding the scientific correctness of this manuscript. Why do you think that this manuscript is scientifically robust and technically sound? A minimum of 3-4 sentences may be required for this part.	Since India is an Agriculture based country, research studies concerning the consistent improvements in yields of crops is essential. This study, investigating the hybrid tomato variety that resist Early blight disease caused by the fungus Alternaria, is a good attempt to fulfil the needs of the Indian farmers.	
Are the references sufficient and recent? If you have suggestions of additional references, please mention them in the review form.	Citations of other research studies under the Results and Discussion is advised. Addition of at least 5-6 references is essential	
Minor REVISION comments Is the language/English quality of the article suitable for scholarly communications?	Satisfactory; Rephrasing of some texts is advised in the comments.	
Optional/General comments		

PART 2:

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Are there ethical issues in this manuscript?	<u>(If yes, Kindly please write down the ethical issues here in details)</u>
