PART 1: Comments

	Reviewer's comment	Author's Feedback <i>(Please correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i>
Please write a few sentences regarding the importance of this manuscript for the scientific community. A minimum of 3-4 sentences may be required for this part.	The article is a good one which examines the effect of certain variables on NPLs of commercial banks in Uganda. It points to the possibility of directors and executive behaving in an unethical manner just to make more money for themselves which can increase the NPLs of banks and therefore affect the banks performance negatively. This study can act as a guide for regulators in policy making at the least.	
Is the title of the article suitable? (If not please suggest an alternative title)	Yes. The title is apt.	
Is the abstract of the article comprehensive? Do you suggest the addition (or deletion) of some points in this section? Please write your suggestions here.	Yes, it is. However, the problem that led to the study was not mentioned at all.	
Is the manuscript scientifically, correct? Please write here.	Yes, it is.	
Are the references sufficient and recent? If you have suggestions of additional references, please mention them in the review form.	The references are recent enough.	
Is the language/English quality of the article suitable for scholarly communications?	Yes, although it could be better. But generally, the message and result of the article can be understood without much difficulty.	
<u>Optional/General</u> comments	The article is generally good and will certainly add to the body of knowledge.
