

Review Form 3

Journal Name:	Asian Journal of Education and Social Studies
Manuscript Number:	Ms_AJESS_128220
Title of the Manuscript:	Adaptation Administration Practices And Accommodating Classroom Organization Of Public Elementary School Teachers
Type of the Article	Original Research Article

PART 1: Comments

	Reviewer's comment	Author's Feedback <i>(Please correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i>
Please write a few sentences regarding the importance of this manuscript for the scientific community. A minimum of 3-4 sentences may be required for this part.	The manuscript is important because it highlights the link between flexible administration practices and well-organized classrooms. It also offers useful insights for school leaders and teachers on creating environments that support better learning. The findings show that having a flexible and supportive classroom is key to improving student success. It provides clear data/info of educational leadership and classroom management, paving the way for future studies and improvements.	
Is the title of the article suitable? (If not please suggest an alternative title)	<i>Yes, the title reflects the main focus of the study clearly and is easy to understand.</i>	
Is the abstract of the article comprehensive? Do you suggest the addition (or deletion) of some points in this section? Please write your suggestions here.	The abstract effectively summarizes the study, highlighting the key research questions, methods, findings, and implications. To strengthen it further, consider incorporating a mention of the theoretical framework that guided the research. This would provide additional context and demonstrate the foundation upon which the study was built	
Is the manuscript scientifically, correct? Please write here.	Yes! The manuscript follows solid research methods and uses the right statistical tools.	
Are the references sufficient and recent? If you have suggestions of additional references, please mention them in the review form.	The references are current and relevant, providing a strong basis for the study. However, consider adding more references about leadership theories and classroom management.	
Is the language/English quality of the article suitable for scholarly communications?	The language is clear, but there are a few small grammar errors that should be fixed in the final version.	
Optional/General comments	A few minor language changes and adding the theoretical framework in the abstract would improve it.
