

Review Form 3

Journal Name:	International Journal of Environment and Climate Change
Manuscript Number:	Ms_IJECC_127957
Title of the Manuscript:	Benefits of Paddy Straw Management Technologies Used by Potato Growers in Jalandhar District of Punjab
Type of the Article	Research Article

PART 1: Comments

	Reviewer's comment	Author's Feedback <i>(Please correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i>
Please write a few sentences regarding the importance of this manuscript for the scientific community. A minimum of 3-4 sentences may be required for this part.	Paddy straw management is not only an ecological necessity but, in a country like ours, is an economic compulsion. Instead of burning, incorporation of paddy straw improves physical, chemical and biological properties of the soils. Hence this study helps in showcasing the importance of different technologies for paddy residue management in potato crop for improving yield, soil properties and reducing cost of cultivation.	
Is the title of the article suitable? (If not please suggest an alternative title)	Enhancing Agricultural Practices: Exploring the Benefits of Paddy Straw Management Technologies Adopted by Potato Growers in Jalandhar District, Punjab.	
Is the abstract of the article comprehensive? Do you suggest the addition (or deletion) of some points in this section? Please write your suggestions here.	Abstract is comprehensive. Need to incorporate the five technology treatment details and results in brief	
Is the manuscript scientifically, correct? Please write here.	Yes	
Are the references sufficient and recent? If you have suggestions of additional references, please mention them in the review form.	Yes. If possible please mention recent references between the time period of 2020-2024. Majority of references were missing in reference section. (Gupta et al 2004), (Ramesh et al 2016), (Sidhu and Beri 2009), (Kaur et al, 2021), (Singh et al 2010). Please include all the references mentioned in the introduction part in references section. Follow proper reference writing method according to journal manuscript guidelines.
