Title of the Manuscript:	Oral consideration with Mosaic Turner Syndrome -a case report
Type of the Article	Case report

PART 1: Comments

	Reviewer's comment	Author's Feedback <i>(Please correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i>
Please write a few sentences regarding the importance of this manuscript for the scientific community. A minimum of 3-4 sentences may be required for this part.	It's a quite common disorder, despite of its commonality the physicians usually miss this disorder, as it can present in multiple but unique ways, these rare presentations should be kept in mind so this chunk of patients could not be missed. Keeping this background in mind it's a good thought to report this case.	
Is the title of the article suitable? (If not please suggest an alternative title)	Yes.	
Is the abstract of the article comprehensive? Do you suggest the addition (or deletion) of some points in this section? Please write your suggestions here.	Describe some oral manifestations in abstract, and highlight that how rare these are.	
Is the manuscript scientifically, correct? Please write here.	Yes.	
Are the references sufficient and recent? If you have suggestions of additional references, please mention them in the review form.	References are sufficient but too old as none of them are from the last 5 years.	
Is the language/English quality of the article suitable for scholarly communications?	Yes, but some sentences should be more elaborative by medical terms (like "While most of the physical findings are harmless", written in conclusion)	
Optional/General comments	Kindly compare your case with the reported frequencies of varied manifestations in turner syndrome.
