Is the language/English quality of the article suitable for scholarly communications?	Yes, the language quality is suitable for scholarly communications.	
<u>Optional/General</u> comments	Overall the outline of the review paper is good. The author clearly explained the concepts of spiritual leadership and Tri Hita Karana and its importance. Author has clearly mentioned that when Hita Karana is combined with spiritual leadership it helps to establish an atmosphere that promotes moral conduct, teamwork, and respect for all living things by leading with empathy, modesty, and honesty by which tried to state the connection between the two concepts. Author also mentioned about the the lack of research supporting the 'whole person' approach which assumes that an individual's spirituality as shaped by culture, religion, and tradition is certainly important.
