**PART 1: Comments**

	Reviewer's comment	Author's Feedback <i>(Please correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i>
Please write a few sentences regarding the importance of this manuscript for the scientific community. A minimum of 3-4 sentences may be required for this part.	The article has potential to benefit the local scientific community of Indonesia. This is because the literature reviewed for the manuscript is almost exclusively from Indonesia, with no review of global literature or comparative experiences outside Indonesia. The literature review was, therefore, very narrowly focused.	
Is the title of the article suitable? (If not please suggest an alternative title)	The title is suitable	
Is the abstract of the article comprehensive? Do you suggest the addition (or deletion) of some points in this section? Please write your suggestions here.	The abstract is sufficiently comprehensive	
Is the manuscript scientifically, correct? Please write here.	The manuscript is scientifically correct for its target audience.	
Are the references sufficient and recent? If you have suggestions of additional references, please mention them in the review form.	As indicated, the references are nearly all of local origin, with no global representation. The manuscript could benefit from experiences outside Indonesia and the Asian sub-continent.	
Is the language/English quality of the article suitable for scholarly communications?	Yes, the English of suitable quality	
<b>Optional/General</b> comments	None apart from those relating to the narrow (national) focus of the reviewed literature.  <b>Include some international literature on the subject</b>
