

Review Form 3

Journal Name:	Asian Journal of Research in Zoology
Manuscript Number:	Ms_AJRIZ_127860
Title of the Manuscript:	Mortality and Repellency Effect of Some Plant Oils against <i>Tribolium castaneum</i> (Coleoptera: Tenebrionidae)
Type of the Article	

PART 1: Comments

	Reviewer's comment	Author's Feedback (Please correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Please write a few sentences regarding the importance of this manuscript for the scientific community. A minimum of 3-4 sentences may be required for this part.	biopesticides are essential parts of an integrated pest control program because they are low-persistent, biodegradable, and minimally toxic to mammals, making them ecologically beneficial. Therefore, a study on the use of essential oils of lavender, mogra, and rose against <i>Tribolium castaneum</i> insects are necessary since they are widely available, environmentally friendly, reasonably priced, and safe for both human and animal health.	
Is the title of the article suitable? (If not please suggest an alternative title)	Mortality and Repellency Effect of Some Essential Oils against <i>Tribolium castaneum</i> (Coleoptera: Tenebrionidae)	
Is the abstract of the article comprehensive? Do you suggest the addition (or deletion) of some points in this section? Please write your suggestions here.	Yes But I suggest some modification I made it file "Rev_AJRIZ_127860"	
Is the manuscript scientifically, correct? Please write here.	The review paper is good, it shows a clear statement of purpose in the abstract, defines the study in detail, provides results, discusses correlations, makes no gross over-generalizations, and has a conclusion that is reasonable and logical in the context of findings.	
Are the references sufficient and recent? If you have suggestions of additional references, please mention them in the review form.	Need from authors add some recent references	
Is the language/English quality of the article suitable for scholarly communications?	Yes	
Optional/General comments	<ul style="list-style-type: none"> *I made a lot of corrections in the file "Rev_AJRIZ_127860" and need from authors to do it. * The introduction should be elaborated with recent research papers and the knowledge gap in this study should be mentioned clearly in the introduction section. * in introduction, research significance and scope of relevance to bibliographic coverage regarding the three types of essential oils, this has not been conveyed. * In Statistical Analysis , what software is used for analysis. 	

Review Form 3

PART 2:

	Reviewer's comment	Author's comment <i>(if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i>
Are there ethical issues in this manuscript?	<i>(If yes, Kindly please write down the ethical issues here in details)</i>
