Title of the Manuscript:	<b>Characterization of Genetic Diversity in Fatty Acid and Nutritional Profiles Among Brassica Species</b>
Type of the Article	<b>Original Research Article</b>

**PART 1: Comments**

	<b>Reviewer's comment</b>	<b>Author's Feedback</b> <i>(Please correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i>
<b>Please write a few sentences regarding the importance of this manuscript for the scientific community. A minimum of 3-4 sentences may be required for this part.</b>	This manuscript holds significant value for the scientific community as it addresses a critical gap in the understanding of Nutritional Profiles Among Brassica Species . By providing novel insights and robust data, it not only advances the current knowledge base but also paves the way for future research and innovation. The findings have the potential to contribute to practical applications, offering solutions to real-world challenges .Furthermore, its interdisciplinary approach fosters collaboration across scientific disciplines, enhancing the overall impact and relevance of the research.	
<b>Is the title of the article suitable? (If not please suggest an alternative title)</b>	<b>Yes</b>	
<b>Is the abstract of the article comprehensive? Do you suggest the addition (or deletion) of some points in this section?
