

Review Form 3

Journal Name:	Journal of Experimental Agriculture International
Manuscript Number:	Ms_JEAI_127937
Title of the Manuscript:	Integration of ICT in Agricultural Extension Services- A review
Type of the Article	Review Article

PART 1: Comments

	Reviewer's comment	Author's Feedback (Please correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Please write a few sentences regarding the importance of this manuscript for the scientific community. A minimum of 3-4 sentences may be required for this part.	The manuscript, <i>Integration of ICT in Agricultural Extension Services - A Review</i> , is highly significant for the scientific community as it addresses the critical role of Information and Communication Technology (ICT) in modernizing agricultural practices. By synthesizing the latest developments and applications of ICT in extension services, this review provides insights into improving knowledge dissemination, decision-making, and resource utilization among farmers. Its focus on bridging the gap between technology and rural development highlights potential strategies for enhancing productivity and sustainability. Such a comprehensive analysis contributes to advancing research in agricultural sciences and informing policymakers and practitioners about effective ICT integration models.	
Is the title of the article suitable? (If not please suggest an alternative title)	Yes but author can add some literature review..	
Is the abstract of the article comprehensive? Do you suggest the addition (or deletion) of some points in this section? Please write your suggestions here.	Abstract and introduction have described and defined properly	
Is the manuscript scientifically, correct? Please write here.	Author can add the review of literature in the articles	
Are the references sufficient and recent? If you have suggestions of additional references, please mention them in the review form.	The manuscript demonstrates a commendable effort in reviewing the integration of ICT in agricultural extension services, showcasing a thorough understanding of the subject. The references cited are largely sufficient and provide a solid foundation for the study, reflecting the diversity and depth of research in this domain. Additionally, many of the references are recent, ensuring the manuscript remains relevant to current advancements in ICT and its applications in agriculture. With its well-curated bibliography, the manuscript effectively supports the arguments and discussions presented.	
Is the language/English quality of the article suitable for scholarly communications?	Yes	
Optional/General comments
