Please write a few sentences regarding the importance of this manuscript for the scientific community. A minimum of 3-4 sentences may be required for this part.	Focus on agricultural credit is highly commendable because the agricultural sector suffers underfunding due to its risky nature. Furthermore, determinants of credit demand have not been fully understood by the actors in the agricultural sector hence the need to conduct further research on this topic. The models used are not common and provide an insight into the upcoming methods of econometric analysis.
