Please write a few sentences regarding the importance of this manuscript for the scientific community. A minimum of 3-4 sentences may be required for this part.	This study is important to the retail business in the time of distress promoting the use of financial ratios. The study added to the empirical literature that activity and profitability are the most important ratios for retail companies.	
Is the title of the article suitable? (If not please suggest an alternative title)	The title is suitable only that I suggested that "for the" to be added before the word "period" on the title	
Is the abstract of the article comprehensive? Do you suggest the addition (or deletion) of some points in this section? Please write your suggestions here.	The abstract is ok, only some observations were raised regarding the study design and the population of the study to be disclosed appropriately.	
Is the manuscript scientifically correct? Please write here.	It is scientifically correct and added to the body of literature	
Are the references sufficient and recent? If you have suggestions of additional references, please mention them in the review form.	The references are current and sufficient only that the author(s) need to avoid citing works in the work of others. It is appropriate to cite works from the original source.	
Is the language/English quality of the article suitable for scholarly communications?	Yes	
<u>Optional/General</u> comments	The article is relevant to the field of financial management
