#### **Important Policies Regarding Peer Review**

Peer review Comments Approval Policy: <https://r1-reviewerhub.org/peer-review-comments-approval-policy/>

Benefits for Reviewers: <https://r1-reviewerhub.org/benefits-for-reviewers>

### Review Form 3

#### PART 1: Review Comments

<b>Compulsory</b> REVISION comments	<b>Reviewer's comment</b>	<b>Author's Feedback</b> (Please correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<b>Please write a few sentences regarding the importance of this manuscript for the scientific community. Why do you like (or dislike) this manuscript? A minimum of 3-4 sentences may be required for this part.</b>	- Important article for the health community, facilitating the understanding of biomarkers for hepatitis B existing on the pharmaceutical market. - I didn't like the development of the work in relation to the description of the result simultaneously with the dialing.	
<b>Is the title of the article suitable? (If not please suggest an alternative title)</b>	<b>Yes.</b>	
<b>Is the abstract of the article comprehensive? Do you suggest the addition (or deletion) of some points in this section? Please write your suggestions here.</b>	<b>Yes.</b>	
<b>Are subsections and structure of the manuscript appropriate?</b>	<b>No.</b>	
<b>Please write a few sentences regarding the scientific correctness of this manuscript. Why do you think that this manuscript is scientifically robust and technically sound? A minimum of 3-4 sentences may be required for this part.</b>	-Well-developed work with the introduction reporting on the epidemiological survey, etiology, form of contagion and the types of biomarkers existing in the pharmaceutical market. -Easy-to-understand methodology. -Conclusion is in line with the objective of the work. Due to the factors written above, this work is important for more effective diagnosis and treatment of the pathology.	
<b>Are the references sufficient and recent? If you have suggestions of additional references, please mention them in the review form.</b>	<b>Yes.</b>	
<b>Minor</b> REVISION comments	Yes.	
<b>Is the language/English quality of the article suitable for scholarly communications?</b>		
<b>Optional/General</b> comments	I advise the development of topics regarding the result and discussion to be developed separately, as this makes it easier for the reader to understand.	

#### PART 2:

	<b>Reviewer's comment</b>	<b>Author's comment</b> (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<b>Are there ethical issues in this manuscript?</b>	<i>(If yes, Kindly please write down the ethical issues here in details)</i>
