

Review Form 3

Journal Name:	Journal of Experimental Agriculture International
Manuscript Number:	Ms_JEAI_127629
Title of the Manuscript:	Energy Assessment in Rabi Sunflower under Varying Drip Irrigation Regimes and Fertigation levels
Type of the Article	

PART 1: Comments

	Reviewer's comment	Author's Feedback <i>(Please correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i>
Please write a few sentences regarding the importance of this manuscript for the scientific community. A minimum of 3-4 sentences may be required for this part.	The study addresses a significant issue in sustainable agriculture optimizing water and nutrient use efficiency in Rabi sunflower cultivation. The combination of drip irrigation regimes and fertigation levels is a timely and relevant subject in the context of resource-constrained agriculture.	
Is the title of the article suitable? (If not please suggest an alternative title)	Title of the manuscript is ok.	
Is the abstract of the article comprehensive? Do you suggest the addition (or deletion) of some points in this section? Please write your suggestions here.	Justify the selection of Epan levels (0.8, 1.0, 1.2) and fertigation doses (60–120%) with references or preliminary studies. Indicate the software used for statistical testing and thresholds for significance (e.g., p-values).	
Is the manuscript scientifically, correct? Please write here.	The manuscript is well structured.	
Are the references sufficient and recent? If you have suggestions of additional references, please mention them in the review form.	Ensure citations for all key methodologies and metrics (e.g., energy efficiency, input-output analysis). Validate the consistency and formatting of the references list.	
Is the language/English quality of the article suitable for scholarly communications?	English is good for scholarly communication. Some minor grammatical errors may be corrected.	
Optional/General comments		

Review Form 3

PART 2:

	Reviewer's comment	Author's comment <i>(if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i>
Are there ethical issues in this manuscript?	<i>(If yes, Kindly please write down the ethical issues here in details)</i>
