

### Review Form 3

Journal Name:	<a href="#">Journal of Scientific Research and Reports</a>
Manuscript Number:	Ms_JSRR_128656
Title of the Manuscript:	RESPONSE OF SOYBEAN ( <i>Glycine max</i> L.) TO POTASSIUM FERTILIZER UNDER DIFFERENT CROP GEOMETRY
Type of the Article	

#### **General guidelines for the Peer Review process:**

This journal's peer review policy states that **NO** manuscript should be rejected only on the basis of '**lack of Novelty**', provided the manuscript is scientifically robust and technically sound. To know the complete guidelines for the Peer Review process, reviewers are requested to visit this link:

<https://r1.reviewerhub.org/general-editorial-policy/>

#### **Important Policies Regarding Peer Review**

Peer review Comments Approval Policy: <https://r1.reviewerhub.org/peer-review-comments-approval-policy/>

Benefits for Reviewers: <https://r1.reviewerhub.org/benefits-for-reviewers>

#### **PART 1: Comments**

	<b>Reviewer's comment</b>	<b>Author's Feedback</b> <i>(Please correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i>
<b>Please write a few sentences regarding the importance of this manuscript for the scientific community. A minimum of 3-4 sentences may be required for this part.</b>	This study will provide sufficient information related to potassium management practices and crop geometry which enhance the productivity of soybean crop. The scientific information generated from the study will be useful to scientists and ultimately to farmers.	
<b>Is the title of the article suitable? (If not please suggest an alternative title)</b>	Response of soybean ( <i>Glycine max</i> . L.) to different levels of potassium under different crop geometry	
<b>Is the abstract of the article comprehensive? Do you suggest the addition (or deletion) of some points in this section? Please write your suggestions here.</b>	Write the correct textural class and Recheck the value of available K in soil as its too high in abstract Reduce the number of abstract as its to lengthy	
<b>Is the manuscript scientifically, correct? Please write here.</b>	Yes	
<b>Are the references sufficient and recent? If you have suggestions of additional references, please mention them in the review form.</b>	Yes	

**Review Form 3**

<p><b>Is the language/English quality of the article suitable for scholarly communications?</b></p>	<p>Yes</p>	
<p><b>Optional/General</b> comments</p>	<p><b>1. Abstract</b> Improve the abstract with clear conclusion and add practical importance</p> <p><b>2.Introduction</b> Add some recent citation</p> <p><b>3.Materials and Methods</b> Well written and recheck unit in table</p> <p><b>4.Results and Discussion</b> Results and discussion written well</p> <p><b>5.Conclusion</b> Well written and write the practical utility of the study</p> <p>Soybean is the most prominent crop of Madhya Pradesh and the application of nutrients especially potassium in proper amount can help to increase nutrient use efficiency and maintaining the optimum spacing in soybean can help to utilize the resources such as nutrient, water, sunlight, etc, it is important to understand the response of soybean (<i>Glycine max.</i> L.) to different potassium fertilizer levels under different crop geometry. This study will provides sufficient information related to potassium management practices, enhancing productivity of soybean crop. The scientific information generated from the study will be useful to scientists and ultimately to farmers. It is a well-written manuscript. However, the manuscript requires minor revisions. The paper can be accepted and considered for publication after minor corrections.</p>	

**PART 2:**

	<p><b>Reviewer's comment</b></p>	<p><b>Author's comment</b> (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</p>
<p><b>Are there ethical issues in this manuscript?</b></p>	<p><i>(If yes, Kindly please write down the ethical issues here in details)</i></p>	

**Reviewer Details:**
