

Review Form 3

Journal Name:	Journal of Pharmaceutical Research International
Manuscript Number:	Ms_JPRI_128495
Title of the Manuscript:	A Comprehensive review on Biosimilars; present & future
Type of the Article	Review Article

PART 1: Comments

	Reviewer's comment	Author's Feedback <i>(Please correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i>
Please write a few sentences regarding the importance of this manuscript for the scientific community. A minimum of 3-4 sentences may be required for this part.	In the development of healthcare, biosimilars are essential because they provide a means of lowering expenses, enhancing patient access, and guaranteeing that a larger population can have high-quality biologic treatments. They are essential in enhancing the sustainability and equity of healthcare systems by promoting competition and increasing treatment options. The necessity of ongoing investments in regulatory procedures, patient and healthcare provider education, and innovative biologic drug research is highlighted by their increasing significance.	
Is the title of the article suitable? (If not please suggest an alternative title)	Yes	
Is the abstract of the article comprehensive? Do you suggest the addition (or deletion) of some points in this section? Please write your suggestions here.	Addition of key words Immunogenicity, Regulatory Approval, Mention example of biosimilars	
Is the manuscript scientifically, correct? Please write here.	Addition in manuscript Addition in Clinical trials challenges, role of FDA, role of EMA,	
Are the references sufficient and recent? If you have suggestions of additional references, please mention them in the review form.	Add more latest reference	
Is the language/English quality of the article suitable for scholarly communications?	Yes, suitable for scholarly communication.	
<u>Optional/General</u> comments	No any	

Review Form 3
