#### **PART 1: Comments**

|                                                                                                                                                                  | Reviewer's comment                                                                                                | Author's Feedback <i>(Please correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i> |
|------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Please write a few sentences regarding the importance of this manuscript for the scientific community. A minimum of 3-4 sentences may be required for this part. | The manuscript deals with a very interesting subject such as the improvement of nitrogen fixation in sandy soils. |                                                                                                                                                                     |
| Is the title of the article suitable? (If not please suggest an alternative title)                                                                               | Yes                                                                                                               |                                                                                                                                                                     |
| Is the abstract of the article comprehensive? Do you suggest the addition (or deletion) of some points in this section? Please write your suggestions here.      | Yes                                                                                                               |                                                                                                                                                                     |
| Is the manuscript scientifically, correct? Please write here.                                                                                                    | Yes                                                                                                               |                                                                                                                                                                     |
| Are the references sufficient and recent? If you have suggestions of additional references, please mention them in the review form.                              | the number of references is limited                                                                               |                                                                                                                                                                     |
| Is the language/English quality of the article suitable for scholarly communications?                                                                            | Yes                                                                                                               |                                                                                                                                                                     |
| <u>Optional/General</u> comments                                                                                                                                 |                                                                                                                   |                                                                                                                                                                     |

#### **PART 2:**

|                                              | Reviewer's comment                                                           | Author's comment <i>(if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i> |
|----------------------------------------------|------------------------------------------------------------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Are there ethical issues in this manuscript? | <i>(If yes, Kindly please write down the ethical issues here in details)</i> |                                                                                                                                                                                      |
