Peer review Comments Approval Policy: <https://r1.reviewerhub.org/peer-review-comments-approval-policy/>

Benefits for Reviewers: <https://r1.reviewerhub.org/benefits-for-reviewers>

**Review Form 3**

**PART 1: Comments**

	<b>Reviewer's comment</b>	<b>Author's Feedback</b> <i>(Please correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i>
<b>Please write a few sentences regarding the importance of this manuscript for the scientific community. A minimum of 3-4 sentences may be required for this part.</b>	This manuscript has relevance in that it highlights the reasons why individuals in rural areas fail to adhere to their antituberculosis drug regimens. Knowing these things can help you create focused interventions that will increase adherence rates, which is very important for controlling and preventing tuberculosis. The results can also be used to change healthcare policies and procedures, which will eventually improve patient outcomes and lower the number of transmissions.	
<b>Is the title of the article suitable? (If not please suggest an alternative title)</b>	Title of article is appropriate.	
<b>Is the abstract of the article comprehensive? Do you suggest the addition (or deletion) of some points in this section? Please write your suggestions here.</b>	Abstract is comprehensive	
<b>Is the manuscript scientifically, correct? Please write here.</b>	1. Author did not mention the <b>Internal consistency of the questionnaire</b> used in this study. 2. <b>Data collection procedure</b> need to be explained in detail. What was the original language in which the questionnaire was constructed initially? Was it translated to indigenous language? Who was the interviewer and any training given to the interviewer for collection of data. 2. Definition of <b>non-adherent</b> not specified in this study. 3. How <b>depression</b> was diagnosed in these cases. Diagnostic criteria of depression?	
<b>Are the references sufficient and recent? If you have suggestions of additional references, please mention them in the review form.</b>	References sufficient and recent.	
<b>Is the language/English quality of the article suitable for scholarly communications?</b>	Yes ,the language/English quality of the article suitable for scholarly communications?	
<b>Optional/General</b> comments		

**PART 2:**

	<b>Reviewer's comment</b>	<b>Author's comment</b> <i>(if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i>
<b>Are there ethical issues in this manuscript?</b>	<u><i>(If yes, Kindly please write down the ethical issues here in details)</i></u>
