

Editor's Comment:

These reviewers' commentators this article important warnings;

-Change of title

-The Material and Method should be rearranged and discussed in a paragraph

-The introduction should be more detailed and its goal should be clear,

-The conclusion part should be more detailed and understandable. Must represent the article

-Why the Dahomey River is important should be explained in details in this article,

-References should be reconsidered.

As results:

Once the authors correct these, the article can be published.
