Manuscript Number:	Ms_JABB_129620
Title of the Manuscript:	Optimization and characterization of chitosan-based edible films for food packaging applications
Type of the Article	Original Research Article

PART 1: Comments

	Reviewer's comment	Author's Feedback <i>(Please correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i>
Please write a few sentences regarding the importance of this manuscript for the scientific community. A minimum of 3-4 sentences may be required for this part.	Research on chitosan-based edible films has been widely conducted. However, specific studies related to the optimum concentration of glycerol use have not been widely conducted so that the manuscript is worthy of publication. The information from this research is very useful for the development of biodegradable packaging.	
Is the title of the article suitable? (If not please suggest an alternative title)	It would be better to remove the word "optimization", because this research does not use an optimization design.	
Is the abstract of the article comprehensive? Do you suggest the addition (or deletion) of some points in this section? Please write your suggestions here.	Yes	
Is the manuscript scientifically, correct? Please write here.	Yes	
Are the references sufficient and recent? If you have suggestions of additional references, please mention them in the review form.	There are some references that need to be replaced with the latest references.	
Is the language/English quality of the article suitable for scholarly communications?	YES	
<u>Optional/General</u> comments	This manuscript is suitable for publication with improvements by the author in several parts. PLEASE SEE ATTACHMENT
