Review Form 3

PART 1: Comments

	Reviewer's comment	Author's Feedback <i>(Please correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i>
Please write a few sentences regarding the importance of this manuscript for the scientific community. A minimum of 3-4 sentences may be required for this part.		
Is the title of the article suitable? (If not please suggest an alternative title)	Yes but no effect of Unmanned Aerial Vehicle Sprayed Herbicides on the soil properties and nutrient availability in <i>Rabi</i> Groundnut was seen in the manuscript	
Is the abstract of the article comprehensive? Do you suggest the addition (or deletion) of some points in this section? Please write your suggestions here.		
Is the manuscript scientifically, correct? Please write here.		
Are the references sufficient and recent? If you have suggestions of additional references, please mention them in the review form.	Few references are old	
Is the language/English quality of the article suitable for scholarly communications?		
<u>Optional/General</u> comments	According to this research there was no significant influence by the application of different doses of ready mix herbicide and the available macro-nutrient status was also not significantly influenced by the drone sprayed herbicide application compared to manual spraying using knapsack sprayer. When a research study finds no significant difference, it could mean that there is no effect, or that the data is inconclusive. PLEASE SEE ATTACHMENT	

PART 2:

	Reviewer's comment	Author's comment <i>(if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i>
Are there ethical issues in this manuscript?	<i>(If yes, Kindly please write down the ethical issues here in details)</i>
