<b>Please write a few sentences regarding the importance of this manuscript for the scientific community. A minimum of 3-4 sentences may be required for this part.</b>	This manuscript addresses an important aspect of breast cancer therapy by focusing on the role of innovative active pharmaceutical ingredients (APIs) in targeted drug development. It emphasizes advancements in nanotechnology, molecular targeting, and personalized medicine, which are critical in overcoming the limitations of traditional therapies. This work holds significant value for the scientific community by synthesizing recent developments, identifying challenges, and providing directions for future research in precision oncology.	
<b>Is the title of the article suitable? (If not please suggest an alternative title)</b>	Title should be <b><i>"Innovative APIs in Breast Cancer Treatment: Advances in Targeted Therapy and Personalized Medicine."</i></b>	
<b>Is the abstract of the article comprehensive? Do you suggest the addition (or deletion) of some points in this section? Please write your suggestions here.</b>	<input type="checkbox"/> Include specific examples of APIs mentioned in the manuscript to enhance clarity and relevance and Highlight challenges and future directions briefly to give a balanced perspective.	
<b>Is the manuscript scientifically, correct? Please write here.</b>	The manuscript is scientifically correct, presenting a thorough and well-researched analysis of innovative APIs for breast cancer therapy	
<b>Are the references sufficient and recent? If you have suggestions of additional references, please mention them in the review form.</b>	The references are sufficient and include recent publications (2019–2024).	
<b>Is the language/English quality of the article suitable for scholarly communications?</b>	The manuscript's language is clear and suitable for scholarly communication.
